

## ATIPPA Review Committee – Notice of Public Hearings

The ATIPPA Review Committee will hold public hearings in St. John's, NL, on July 22, 23, 24 and 25, if required, and again on August 18, 19, 20 and 21, if required. Unless otherwise noted in the schedule, the hearings will start each day at 9:30 a.m. and will be held at the Ramada, 102 Kenmount Road.

The hearings are open to the public and will also be webcast live on the Committee's website at [www.parcnl.ca](http://www.parcnl.ca).

During the July hearings, the Committee will receive presentations from a number of private citizens, the Official Opposition Caucus, and the Centre for Law and Democracy. In August, the Committee will hear from a number of public bodies, including Memorial University and Eastern Health. The Information Commissioner of Canada, Ms. Suzanne Legault, is also scheduled to present to the Committee.

In the days leading up to public hearings, a complete list of all participants and their scheduled presentation times will be posted on the Committee's website.

The Review Committee was established by the Government of Newfoundland and Labrador to conduct an independent statutory review of the Access to Information and Protection of Privacy Act (ATIPPA), including an examination of the amendments made through Bill 29.

Committee members are Clyde Wells (Chair), Jennifer Stoddart and Doug Letto.

The August hearings will be the final public hearings for the ATIPPA Review Committee. The Committee will continue to receive written submissions from citizens and stakeholders up to August 31, 2014.
